

Note: all square footages are based on an assumption of final construction drawings (due to features, details, etc.)
 This site plan sets forth the general layout of the proposed development and is not intended to constitute a representation or agreement by Owner as to the location or name of any tenant or occupant of this development, nor does it constitute a representation of any additional or add buildings and/or improvements and to make changes in size or location as shown herein necessary from time to time.
 Note: acreage sizes are based on current land modification in coordination with progress city-designed roadway improvements.
